

Evil Incarnate!

Part 8

I began my introduction of the Hebrew Roots Movement in Part 7. I am quite aware the (HRM) is controversial. Those in the movement feel closer to their Hebrew Roots, despite the fact that Biblical Faith has little to do with “feelings”, but more to do with Truth and Doctrine. I may be an old fashioned Biblical Fundamentalist, and I have no reason to apologize for what I believe. In sixty years I have seen religious movements of all kinds, come and go pop-up and wain. It is because of the need to keep our senses that I broke the ice on this subject in Part 7.

This segment scrutinizes the (HRM) with a closer magnifier look at its elements. The Hebrew Roots Movement is a heretical cult that has many factions. Therefore, it is difficult to explain all of their doctrines. The crux of their heresy is that they deny the atonement of Christ by denying that He fulfilled the Mosaic Law. They further deny the work of the Holy Spirit by rejecting the **“Law of the Spirit of life in Christ Jesus”** (The indwelling of the Holy Spirit) that sets us free from the law of sin and death (the Mosaic Law) -(Romans 8: 1-4).

They also deny Colossians 2:14, that states, **“...having wiped out the handwriting of requirements that was against us, which was contrary to us. And He has taken it out of the way, having nailed it to the cross.”** (HRM) proponents are famous for taking verses out of context and adding extra-biblical interpretations (Midrash) to God’s word. They claim that this passage is not about the Mosaic Law’s regulations, but about punishment. However, Paul goes on to write in Colossians 2: 16-17, **“So let no one judge you in food or in drink, or regarding a festival or a new moon or sabbaths, 17 which are a shadow of things to come, but the substance is of Christ.”** Again, they must add to the Word of God to force a different meaning on the text.

Not long ago, I heard a (HRM) pastor claim that Christ only delivered us partially from the Mosaic Law, but not in full, making a partial atonement. Without any scriptural authority (and that does not seem to bother them) they split the Mosaic Law in two parts. That would be like splitting the life of Christ into two parts, His words and His sacrifice, and declaring that somehow we are free from His commandments but have the privilege of His atonement. Establishing that error as a premise, they insist that Christ died to remove the sacrificial system, but not the rules and regulations. Thus, from that flawed conclusion they insist that we remain under the Mosaic Law minus the requirement of sacrifices. They conclude that anyone that claims to be a child of God must observe the Mosaic Law including diet requirements and Sabbath observance.

Other claims include the notion that no one can truly understand the New Testament until they are fluent in Hebrew. Of course, lacking that skill they can always sit under the ministry of a Hebraic Roots teacher who will tell him or her everything they need to know. Professing Christians that succumb to that error apparently do not consider the consequences

of it, namely that most Christians throughout history (that had a New Testament) did not know the true Gospel. Did all of these believers enter hell because they did not keep the Mosaic Law's diet requirements, Sabbaths, and other regulations and rules? Further, it implies that God did not give us the simplicity of the Gospel that is able to lead us to Christ, but that He gave us a complicated book susceptible to the interpretation of individuals that are fluent in Hebrew. There is also the fact that there have been many Christians fluent in Hebrew and Greek that never came to the flawed conclusion that the Atonement of Christ did not deliver us from the Mosaic Law.

Another claim is that there is no salvation under any other name but the Hebrew name of Jesus. This claim is the essence of the Sacred Name Movement, which is also essential to the Hebraic Roots Movement. Therefore, every prayer that was prayed by godly men such as David Brainerd, E. M. Bounds, Rees Howells, Leonard Ravenhill, John Welch, J. Hudson Taylor, and everyone before and since those mighty men of prayer prayed in vain. Further, it means that the multiple thousands of souls that they won to Christ were won in vain. In fact, the Book of Life would have to be wiped nearly clean of the great majority of names if the HRM is correct in their doctrine. To these consequences the (HRM) must reply with a resounding "yes". Therefore, Christianity is dismantled and rebuilt on the opinions and interpretations of men who denounce nearly every soul, every work, and every prayer that was before the modern hodgepodge of Hebraic "gospel". However, please consider the following verses, and the New Testament is replete with like statements about the Mosaic Law.

"Wherefore my sentence is, that we trouble not them, which from among the Gentiles are turned to God: But that we write unto them, that they abstain from pollutions of idols, and [from] fornication, and [from] things strangled, and [from] blood. For Moses of old time hath in every city them that preach him, being read in the synagogues every Sabbath day." -(Acts 15:19-21) (In other words, those requirements were not for salvation, but to keep from offending the Jews that still clung to elements of the Mosaic Law.)

"Since we have heard that some who went out from us have troubled you with words, unsettling your souls, saying, "You must be circumcised and keep the law" —to whom we gave no such commandment— ²⁵it seemed good to us, being assembled with one accord, to send chosen men to you with our beloved Barnabas and Paul, ²⁶men who have risked their lives for the name of our Lord Jesus Christ. ²⁷We have therefore sent Judas and Silas, who will also report the same things by word of mouth. ²⁸For it seemed good to the Holy Spirit, and to us, to lay upon you no greater burden than these necessary things: ²⁹that you abstain from things offered to idols, from blood, from things strangled, and from sexual immorality. If you keep yourselves from these, you will do well." -(Acts 15:24-29 NKJV)

(This is a direct statement that the Early Church did not require Christians to keep the Mosaic Law.)

¹⁹For though I am free with respect to all, I have made myself a slave to all, so that I might win more of them. ²⁰To the Jews I became as a Jew, in order to win Jews. To those under the

law I became as one under the law (though I myself am not under the law) so that I might win those under the law. ²¹To those outside the law I became as one outside the law (though I am not free from God's law but am under Christ's law) so that I might win those outside the law. ²²To the weak I became weak, so that I might win the weak. I have become all things to all people, that I might by all means save some. ²³I do it all for the sake of the gospel, so that I may share in its blessings. -(1 Corinthians 9:19-23 NRSV and other translations)

Obviously, Paul is saying that he is not under the Mosaic Law, but would appear to be so in order to win the Jews. While the Mosaic Law needed the rules and regulations as instruments of teaching, the Holy Spirit does not need such things. Instead, we are convicted by the Holy Spirit when we are tempted or actually commit an act that is against the Divine Nature of God.

It certainly does not qualify one as a heretic to observe the dietary part of the Mosaic Law, but it is heresy to claim that Christ did not fulfill and thereby deliver us from the Mosaic Law including the dietary requirements and sacrifices. Christ did not come to do half of the job, but a full work. The Law was a schoolmaster to lead us to Christ. Christ fulfilled it and nailed the ***"handwriting of ordinances against us"*** to His Cross. His finished work set us free from the ***"law of sin and death"*** (Mosaic Law) by giving us His Spirit of Life. The Spirit of Life is the Holy Spirit. It is by the indwelling of the Holy Spirit that His law is now written on the hearts and in the minds of every true Christian. This new law of the Spirit of life in Christ Jesus is portrayed clearly in 2nd Peter 1:2-11. There are no Scriptures that declare that God has re-written the Mosaic Law in our hearts and minds. The Mosaic Law was a teacher, but God declares that teacher is no longer needed -(Hebrews 8:10-13). A new Teacher has arrive, the Holy Spirit -(1st John 2:27).

The Mosaic Law was a reflection of the Divine Nature of God. The law in our minds is the Divine Nature, not a reflection. It is a higher, greater, and more perfect law than the Mosaic Law. Christ declared that the Law can be reduced to two commandments, love God with all your heart, soul, mind, and strength, and love your neighbor as yourself. The law that is written in our hearts and minds teaches us this exact truth. When God saved me, I did not receive a law that impressed me with the ordinances of the Mosaic Law, but with the elements of the Divine Nature of Christ as expressed by Peter in 2nd Peter 1. In that statement of calling and election for salvation, Peter, the most Judaistic of all the disciples, never mentions the Mosaic Law.

"But also for this very reason, giving all diligence, add to your faith virtue, to virtue knowledge, to knowledge self-control, to self-control perseverance, to perseverance godliness, to godliness brotherly kindness, and to brotherly kindness love. For if these things are yours and abound, you will be neither barren nor unfruitful in the knowledge of our Lord Jesus Christ. For he who lacks these things is shortsighted, even to blindness, and has forgotten that he was cleansed from his old sins. Therefore, brethren, be even more diligent to make your call and election sure, for if you do these things you will never stumble; for so an

entrance will be supplied to you abundantly into the everlasting kingdom of our Lord and Savior Jesus Christ.” -(2 Peter 1:5-11 NKJV)

To illustrate which law is more perfect, consider the following verses.

“Anyone who has rejected Moses’ law dies without mercy on the testimony of two or three witnesses. Of how much worse punishment, do you suppose, will he be thought worthy who has trampled the Son of God underfoot, counted the blood of the covenant by which he was sanctified a common thing, and insulted the Spirit of grace?” -(Hebrews 10:28-29)

The blood of the covenant by which we are sanctified is the blood of Christ that activates the New Covenant. The Old Covenant with the Mosaic Law has faded away, and the New Covenant with the Law of the Spirit of Life in Christ Jesus is in effect. It is a greater and more perfect Law because it is not written on tablets of stone, but in our hearts and minds.

In Matthew 5:17, Christ states, ***“Do not think that I came to destroy the Law or the Prophets. I did not come to destroy but to fulfill.”*** Christ fulfilled the Mosaic Law, thereby ending its authority and God the Father replaced it with the Law of the Spirit of Life in Christ Jesus. The new Law is greater than the old Law because it resides in us through the Divine Nature, the Holy Spirit. It is more powerful and intimate because it is embedded in our hearts and minds. Christ did not die to send us back to the shadows, e.g., regulations, ordinances, and other requirements. Instead, he nailed them to His cross by His atoning death as the perfect Lamb.

The only way for the law to be used lawfully is for the Holy Spirit to apply it to sinners. The Holy Spirit convicts the sinner of his or her sin because sinners remain under the Mosaic Law. They are in danger of the wages of sin because they remain under the law of sin and death.

“But we know that the law is good if one uses it lawfully, ⁹knowing this: that the law is not made for a righteous person, but for the lawless and insubordinate, for the ungodly and for sinners, for the unholy and profane, for murderers of fathers and murderers of mothers, for manslayers, ¹⁰for fornicators, for sodomites, for kidnappers, for liars, for perjurers, and if there is any other thing that is contrary to sound doctrine, ¹¹according to the glorious gospel of the blessed God which was committed to my trust.” -(1st Timothy 1:8-11)

True Christians are not under the Mosaic Law because they died and their life is hidden with Christ in God. No dead person is subject to a law from the temporal realm. They walk according to the Spirit and the law of the Spirit of life in Christ Jesus.

“ For what the law could not do in that it was weak through the flesh, God did by sending His own Son in the likeness of sinful flesh, on account of sin: He condemned sin in the flesh, that the righteous requirement of the law might be fulfilled in us who do not walk according to the flesh but according to the Spirit.” -(Romans 8:3-4)

In summation, the New Testament is replete with references to the fact that we are no longer under the Mosaic Law and its works-based attempt at salvation. A huge portion of Galatians is devoted to striking down the heresy, which was one of the more persistent ones the Apostle Paul dealt with. Some (HRM) leaders attack Paul in an attempt to marginalize the Scriptures that are against their heresy. Of course, (HRM) leaders will also “explain” all of those Scriptures if you are willing to listen to their spiel. God’s word tells us not to accept whatever is contrary to His word. Claiming that (HRM) doctrine is not contrary to His word is not of itself evidence to a fact. Further, once explanations go beyond the boundaries of the Bible, they are subject to the opinions of men. I firmly believe that the Holy Spirit and the Word of God that is given to us in the form of the Holy Bible is enough.

It is important to recognize that we are in the last days. It is a period of great deception, and in my opinion, the final deception. There has always been and will always be heretics with clever methods and enticing words. The best way to avoid being lured into a cult such as the HRM is to love truth more than doctrine and be filled with the Holy Spirit. Even if you have little knowledge about their doctrines, and feel inadequate to debate them with Scripture, the Holy Spirit will warn you. That should be enough to reject their advances. You do not owe them any other explanation than that.

Finally, anyone indwelt by the Holy Spirit will understand in a much greater measure the righteous nature of God than the Mosaic Law (as a shadow of things to come) could reveal. Although it is possible for one to fall away, such a person has the resident power to conquer sin. The danger in (HRM) is denying the work of the atoning sacrifice of Christ, reintroducing people to the bondage of the Law of sin and death, and denying them the power to overcome sin. As such, it is a very dangerous doctrine. Not many that are deceived by it in this day of deception are being delivered.

When I left the United Methodist Church, it was over an issue that has embroiled the denomination into what likely will lead to a schism in the UMC. My predecessor was a lesbian, an ordained full elder in the UMC. Her female partner was another UMC pastor, and lesbian. The short version of this br’er rabbit and the tar baby event was that I was required to attend language sensitivity training for a year. I complied and went along with this nonsense until a point the chairperson of the committee asked me the question, *“Could you or would you ever address God in prayer as mother?”* Before she finished her last four words, my response was *“Absolutely not!”* I knew where she was going with this nonsense!

The chairperson then stated, it will be this committee’s recommendation that the Board of Ordained Ministry of the UMC, rescind your ordination. The date was December 6, 1998. As I walked out of the entrance doors of the Bethel Park UMC, the cold winds were blowing snow in my face. I never looked back and walked away from a financial package, benefits, housing, and pension package of \$1.4-million dollars. I completed my appointment time and began to look forward to what the Lord had in store for me. With six months until my appointment year ended, I had to make a number of decisions with no visible source of income to support my family. I do recall experiencing a peaceful calm about it all and I slept well at night as I began

transitioning. I long ago learned and knew that the Lord would provide. It was right about this time that I had been studying the (HRM) and was able to examine its heresies.

The Influence of the Hebrew Roots movement (HRM) has grown by leaps and bounds over the last century in America. Its impact in this end time is being felt in all areas of Christendom of those who call Jesus Lord. For those who are born of the Spirit, if they are Bereans and study the Scriptures comparing this movement with the Gospel given to the New Testament church, they would see bright flashing danger signs. Sad to say, many are being deceived.

The Hebrew Roots Movement which encompasses Messianic Judaism and both in fact are one and the same, just packaged differently in order to deceive more people, is gaining momentum in these last days. While Messianic Judaism is more Christ oriented, it is really just a stepping stone to the (HRM). Many Jews who have accepted Jesus Christ as Messiah, are attempting as the Jewish Christians in the early church, to mesh Grace with Judaism under the Old Covenant, making all-inclusive with one another the Works of the Law, as well as the ordinances, such as the Sabbath and other holy days and combining them with Christianity. If you are in this bind, I suggest that you read what the Apostle Paul had to say about this in his letters to the early church. Read the book of Galatians where Paul addresses this heresy and warns the early church that if they follow this teaching, they have fallen from grace.

True Christians are very vulnerable because of their God-given love for the Jewish people and Israel. It is this point I believe is where believers get tripped up over. We long to be one with them. We love the rich heritage of God's chosen people in the natural and we love Israel and Jerusalem, the City God chose as his own. God will restore Israel, but God will not restore the old Judaic Religious System, because Christ came to fulfill what that system could never do. The Laws, ordinances, feasts and festivals all pointed to Christ, but they were only a shadow of the true. The Lamb who was slain from the foundation of the world brought to man in completion what was only a promise to those who lived under the Old Covenant.

Those who know Christ in His fullness will not and cannot hold onto or return to the old religious system under the Law. For when they receive Christ they are set free from the law of sin and death, which is what the Old Testament law was. Jesus Christ is NOT a religious system and he denounced the Religious Jews who followed the Law with studious and practiced devotion, because he knew it could not save them. Christ Jesus is unique and His ministry was unique in that he showed us the only way to the Father, He is the Lord God who came to die for the sin of the world and trusting in His blood and grace alone is all sufficient for sin. Anything added to that or taken away from that, makes His death in vain and that's what I see happening with those who follow Messianic Judaism and the (HRM).

Some of the errors in the (HRM), or any, for that matter, who classify themselves Messianic Jews today are:

1. They call for Christians to recognize extra-biblical Jewish books, which are supposed to give fuller understanding of the Greek New Testament. In fact some go so far as to proclaim the Hebrew Scriptures are the authentic Scriptures, not the Greek text of the KJV Bible.

The New Testament was given in its original, inspired from the Hand of God, in Greek, not Hebrew. Most of the extra-biblical Hebrew "Scriptures" that the (HRM) is seeking to foist onto the Christian Church are ancient writings, often with occult and mystical sources, traditional material which are NOT Scripture at all. They are extra-biblical sources of knowledge.

The Bible was written in 3 languages:

1. Hebrew was the Language of the Old Testament.
2. Aramaic was the language of the Far East until the time of Alexander the Great.
3. Greek was the New Testament language and the International language at the time of Christ.

But yet the Hebrew Roots Movement claims falsely that the original Gospels were written in Hebrew, or possibly Aramaic, and that the Greek New Testament is a mere translation and in some cases a mistranslation of the Hebrew or Aramaic originals. This is debatable in the early writings of Church history. They have even gone so far (some of them) to conclude that Paul's writings where he addressed the heresy they teach, were re-written by Rome and are not authentic. Of course they cannot prove this, but it is enough to cast doubt in their adherents and justify themselves in their error.

The Canon of Scripture is closed and preserved by the Lord in the Greek language. Whether Christians are from Jewish backgrounds or not, we must all recognize the authority of God's Word, as given to us in the Canon of Holy Scripture. No other books can or should be added to this Canon.

While Catholics also add to the Canon of Scripture extra-biblical books and teach much apostasy, the same pattern is seen in the Hebrew Roots Movement as seen in Catholicism. Both add works to divine grace making the grace of Christ of no effect. The Bible is divinely inspired by God from Genesis to Revelation, no other writings are necessary for understanding the Bible. The Holy Spirit reveals the Word to us and we do not need that any man teaches us. No other authority can be accepted. Jewish extra-biblical writings do NOT enlighten Christians as to the "hidden meanings" of Scripture. The deep things of God are shown to believing Christians by the Holy Spirit opening Scripture and making the Bible plain!

Another huge problem to this movement is that it seems only the Jewish converts and/or rabbis can read and interpret the Hebrew texts which they say are the authentic and correct New Testament. Out goes the Greek New Testament you have in the KJV, and in come the Judaic version with its priests and rabbis. But, Jesus is our High-Priest and the Holy Spirit is our teacher, we do not need man to teach us and if we submit to the teaching of man, whether Jewish Rabbi or Fundamentalist preacher, we will be led astray.

This movement is seeking to cast doubt on the faith once delivered to the church by challenging the very Scriptures we have been given by the Lord. They claim Christians can't fully understand the Scripture until we understand the Torah. But the opposite is true. You will not understand the Old Testament (or the Torah) until you have true revelation of the New Testament. And if you have true revelation of the New Testament, you will not allow yourself to fall back under the weak system of the Old Covenant, because you will know the liberty you have found in Christ fulfills all. Men such as Jonathan Cahn and Mark Biltz easily take Christians in by their teachings and inferring we are incomplete as Christians.

Jonathan Cahn regularly in his meetings casts Leonard Nimoy's Vulcan Sign, it is the Invocation of the Devil. In keeping with their role as willing dupes, millions of people have been using the hand sign Leonard Nimoy popularized to honor his passing. This was his final service to the NWO, and the subjugation of the human spirit.

Satanists usually have benign explanations that enable them to contaminate society. I'm not 100% sure Nimoy was a Satanist but I would wager that he was. The benign explanation is

that he introduced the sign into a Star Trek episode spontaneously, and it took off. He explained that the gesture takes the shape of the Hebrew letter "shin" and is a blessing ("Live Long and Prosper") that rabbis give their congregations. Rabbi Cahn does so often in his appearances.

However, in a longer explanation, Nimoy makes it clear that this "greeting" is far from benign. It is part of a powerful Cabalist ritual that can actually damage people. He was warned to shield his eyes:

"There was a "strange sound, not singing, shouting, all discordant, wailing, all discordant, not in unison...chilling...whoa, something major is happening here so I peeked and they had their hands stuck out making this sign...I had no idea what was going on but the sound of it, the shape of it was magical."

Most Jews and non-Jews are unaware that Judaism is largely based on Cabalism. Cabalism is Satanism because it says God is formless and unknowable, not even part of the universe. The essence of Satanism is to deny God. The essence of religion is that God is knowable. How else can we obey him?

"Kabbalism is a system of Jewish mysticism and magic and is the foundational element in modern witchcraft. Virtually all of the great witches and sorcerers of this century were Kabbalists," Texe Marrs explains: *"[It is] the wellspring of virtually every wicked, occult sect, satanic secret society, and witchcraft cult that has arisen in the past one thousand years! The Cabala brings together... all the Mystery teachings of the ancients. Indeed, the Holy Bible [says] the Jewish elders had brought the Mysteries into the Temple and had conducted secret ceremonies in hidden chambers [in] the days of the prophet Ezekiel (see Ezekiel 8). God called these teachings and rituals "abominations."*

T. Stokes, a veteran of British MI5 intelligence said: "This version of the "V" salute is a greeting by Rabbis in the Hebrew tradition. The hand split down the center represents the 2 letters on each side of the "V" in deVil, as the initials DE and IL represent the fingers." This explains why Winston Churchill, a Druid and Illuminati Satanist, used this gesture. It meant nothing to the British people, thinking it was the sign for victory! Much like Freemasonry, signs and symbols portray dual meanings, one exoteric and one esoteric!

The Vulcan "peace sign" is anything but. Vulcan was a Sun deity who was associated with fire, thunderbolts, and light. The festival in honor of him was called the Vulcania in which animal sacrifices were offered.

He bears a family relationship to the Christian devil. It is fascinating to know that he married Venus, another name for Lucifer or the devil. What is even more interesting is that Vulcan is adored in Masonry under the name of Tubal Cain. In the Masonic Quiz Book the question is asked: "Who was Tubal Cain?" The answer is: "He is the Vulcan of the pagans."

In Masonry, Tubal Cain is the name of the password for the Master Mason (or third) degree. Former mason Bill Schnoebel said: "This is called the 'Two Ball Cane,' and is a pun on the secret password of a Master Mason, 'Tubalcain (sic).'...It is also an all-too-obvious pun on the 'god' of Masonry, the male reproductive organ. Nice, eh?...especially when many men wear these wretched things to church on Sunday!"

Was our hero Leonard Nimoy aware of the implications of the hand sign he made famous? Considering that Star Trek was predictive programming for the New World Order, and that Nimoy was a success in Illuminati controlled Hollywood, I'd say he was. "Nimoy published The '*Shekhina Project*', a photographic study exploring the feminine aspect of God's presence, inspired by Kabbalah." [Essentially he tried to make ugly beautiful, which is what Satanists do.] To Jews of the Kabbalah, the "Shekhina" is the female side of the Creator, and that is not Biblical.

Sources close to Leonard Nemoy have stated the 'Vulcan hand sign' for instance Spock's 'Vulcan mysticism' was Kabbalah. Vulcan was a metaphor for Israel. Once you know that Spock's entire character is based on that, a cascade of references tumble out. We'd always seen the UN metaphor in the United Federation of Planets.

At that impressionable age young people bought into the 'One World Government' notion as the 'natural evolution' of the human race. The producers had a guide for budding writers, it's called the 'Star Trek Bible' for script writers which laid out the 'universal' facts about the Star Trek world that had to be consistent. Star Trek history begins with the 'Eugenics Wars' of the 1990's, when Emperor Khan tries to take over the world with his race of genetically enhanced Supermen. Nuclear war resulted around 2000.

However, a more advanced version of the human race has been watching, and only make themselves known in order to save the planet. They "facilitated humanity's transition to an interstellar species acting as sort of a big brother in those crucial stages." Of course these were the Vulcans. Smarter than humans, but not flaunting it too much; pacifist peace makers, governed by reason and pure intellect, their *raison d'etre* is to guide the evolution of all the species to oneness with the infinite. Few people realize the movie '*Star Wars*' was New World Order Predictive Programming. Nimoy's Vulcan Sign is the Invocation of the Devil.

Rabbi Cahn also uses the "V" hand sign, which he states is a symbol of blessing. The V hand sign represents the Hebrew letter, *Shin*. Its display is part and parcel of Jewish religion. It's part of a Kabbalistic occult ritual. Many Jews revere the Egyptian Kaballah. Rabbi Cahn has made references to the Zohar, which is used by Kabbalists, another of the extra-Biblical writings.

Gershom Scholem (1897-1982), Professor of Kabbalah at Hebrew University in Jerusalem, said that the Kabbalah contains a great deal of black magic and sorcery, to invoke the powers of devils to disrupt the natural order.

Kabbalism is Satanism because it says God is formless and unknowable, not even part of the universe. The essence of Satanism is to deny God. Virtually all of the great witches and sorcerers of this century were Kabbalists.

Mr. Jonathan Cahn is fully aware that this hand symbol was popularized in Star Trek by Leonard Nimoy (Mr. Spock). This statement of his can be found in his teaching CD series "A GUIDE TO THE JEWISH WORLD" Mr. Nimoy adopted this occultic hand symbol for his character Mr. Spock. CHRISTIANS BE ON YOUR GUARD: THESE OCCULTIC HAND SYMBOLS ARE INFILTRATING THE BODY OF CHRIST NOW! For more details with regards to this Masonic hand symbol refer to the book "*MASONIC AND OCCULT SYMBOLS ILLUSTRATED*" pages 237-239 by the author Dr. Cathy Burns.

The Old Testament (or Torah) is not the greater revelation, nor does the Old Testament shine light on the New Testament, the New Testament opens and reveals the Old Testament and shows what the symbols and shadows really meant. The DEEPER things of God are found in the New Testament, not the Old Testament, because Christ is revealed in all of His glory in the New Testament. We are rooted, all of us, in CHRIST and while the Old Testament is filled with the glory of the Lord, the New Testament opens up and reveals His glory in splendor and shows us that intimacy with Christ comes through his sacrifice which surpasses all that went before. Emphasis on the Torah over the New Testament is emphasizing that which could not save. The Holy Spirit given to all those who are in Christ Jesus, gives us understanding and leads us into all truth, not the Talmud or Torah. This is appropriately expressed in the phrase, "*The Old Testament is the New Concealed; and the New Testament is the Old Revealed.*"

Jesus instituted a New and Better Covenant with those who believed on Him. To give greater credence to the Torah attempts to alter that Blood-bought covenant by adding back to it the lesser system of the Old Covenant, which was totally fulfilled in Christ.

This covenant is called the:
'NEW' Hebrews 9:15,
the 'SECOND' 8:7,
the 'BETTER,' 7:22.

The Torah and Old Covenant made with Israel did not lead the Jewish people into all truth, because it was weak and unable to save their souls - all it was able to do, was push their sins forward year after year. But when Jesus came, he brought to man what the Old Covenant could never bring. He wrote the Law upon our hearts (not the ordinances of the Old Testament, but the moral laws of God. Those things that the Jews could never do, because sin lived within them he gave us power to do.

The Jews had no trouble keeping the ordinances, feasts, festivals and holy days. However, the Ten Commandments (Moral Law of God) they could not keep. While they added much religious tradition to the Law given on Mt. Sinai, it was a yoke the people could not bear. Jesus took that old yoke away when he signed in blood the New Covenant given for the sins of

the world. But the (HRM's) intent is to keep the Old Covenant (that yoke of bondage) and add it to the New Covenant of Grace. So what becomes their top priority?:

2. Keeping the Law of Moses with all of the ordinances of the Old Testament Law.

However, Christians under the New Covenant have a much higher calling to holiness than did the Old Testament saints under the Law of Moses.

"The Law was our schoolmaster to bring us unto Christ, that we might be justified by faith. But after that faith is come, we are no longer under a schoolmaster" -(Galatians 3:24-25). The (HRM) is seeking to bring us back under the schoolmaster.

Christ is the end of the Law for righteousness to every one that believes. -(Romans 10:4); **"The Law and the prophets were until John the Baptist (Luke 16:16); "The Law was given by Moses, but grace and truth came by Jesus Christ"** -(John. 1:17).

I don't believe we should be observing the feasts or the Sabbath or any of the Jewish holy days, because Paul warned us that, **"After that ye have known God, or rather are known of God, how turn ye again to the weak and beggarly elements, whereunto ye desire again to be in bondage?"** He clarifies exactly what he means by his next words: **"Ye observe days, and months, and times, and years. I am afraid [for] you, lest I have bestowed upon you labour in vain"** -(Galatians 4:10-11).

If we in any way try to keep the Law of Moses or keep all of these Old Testament ordinances, Christ has become no effect to us, because whether you realize it or not you're striving to be justified by the Law. Paul says those that do this have fallen from grace. - (Galatians 5:4). Galatians 5:18 says **"If ye be led of the Spirit, ye are not under the Law."** Titus 1:14 says not to give heed to Jewish fables and commandments of men, for those that do have turned from the truth.

I believe the Hebrew Roots organizations have become the modern equivalent of the Judaizers who followed the Apostle Paul from city to city, spying on the New Testament believers' liberty in Christ and striving to pervert the Gospel and cause confusion among the Early Christians. When these Judaizers sought to draw the Christians of the Galatian church back under the Judaic Religious System, Paul warned the Galatian church to not give credence to their arguments for they were perverting the Gospel of Christ.

Instead of Christ alone, the (HRM) and Messianic Jewish Movement over-balance into the religion that they have never really left! They cannot grasp that ALL is fulfilled in the Lord Jesus Christ. Not only that, but they want the Christians to embrace the Old Testament Jewish religious beliefs, ordinances, and traditions that were necessary under the Law as well!

I believe this movement is part and parcel of the Great Apostasy that is invading Christianity in these last days on the same level as Catholicism, Word of Faith, Kingdom Now

Dominionism theology, and many others such as the New Apostolic Reformation. One recent upshot self-proclaimed prophets of the NAR is a former fire fighter from Orlando, Florida, Mark Taylor co-authored with Mary Colbert a book *'The Trump Prophecies'*. *'Charisma'* magazine, headquartered in Orlando, FL, has pushed this bogus prophecy given in 2011, stating that Donald Trump would be the next president, but it did not happen, Barack Hussein Obama was re-elected. That did not end the failed prophecy, they simply repackaged it for 2016. The Bible notes that a prophet had to be 100% accurate, declaring Mark Taylor a fake or false prophet.

This new self-proclaimed prophet, now (a.k.a. Shakina Kami) is regularly called upon by Internet blogs, web sites, even the Jim Bakker television program "Morning Side". This nut job and his army of God are one of many paraded out by Satan to deceive gullible people to part with their hard earned money to buy his book, but more so his excrement prophecies. Respected news sites fall all over themselves to hear what Mark Taylor, a.k.a. Shakina Kami will say as he makes it up as he goes along.

We must be Acts 17:11 Bereans in these last days and keep our eyes on our Savior who bought us with his precious blood and not exchange the gift of grace for the weak and beggarly system of observing the Jew's Religion under the Law. At the same time, we must pray for our Jewish brothers and sisters and pray for the peace of Jerusalem, for in so doing we are bringing back the King. Our mission is not to claim the world for the Lord, our mission is preach the Gospel to all creatures and to the end of the world.

The (HRM) has made inroads into mainstream Christianity. I often see (HRM) teachers on religious television. True Christians need to understand that these are not people who simply wish to learn about the Jewish roots of Christianity. It is a Movement that has the intent of replacing the true gospel of Jesus Christ with a false gospel. May God give wisdom and understanding to everyone that avails themselves of the information contained in our Bible.
