Part 7

You are about to become a witness to the biggest exposure and prosecution of our lifetime to become a reality. Beginning January 2, 2019, the trials and war tribunals of 66,568 sealed indictments will commence. Many of these indictments are for pedophiles and sex traffickers of children, including corrupt politicians. This list of sealed indictments has been building since President Trump signed into law an Executive Order that would freeze the assets of people who were involved in corruption of government. These include people from all areas of government, up to including the highest office of the President.

On January 2, 2019, Federal courts across the nation will begin trials for those charged and arrested as a result of the 66,568 indictments, plus Military Tribunals would start for those sent to GITMO. Chief among the sealed indictments is that of the Clinton Foundation. In early December, 2018, it was determined that the Clinton Foundation had failed to submit documents that it was acting as an agent for a foreign country, and thus nullifying its status as a 501c3 charity. The ongoing investigation of the Clinton Foundation has as a result of this clarification of the Clinton Foundation's 501c3 tax status, and its failure to register as an agency of a foreign government; the Clintons are now liable for approximately \$2.5-Billion in taxes. The chief financial officer of the Clinton Foundation, along with two unnamed officers of the Foundation, in a measure to secure leniency for themselves, by government prosecutors, have turned states' evidence against the Clinton Foundation, and the CFO himself having said, *"I know where all the bodies are!"*

The 66,568 indictments would instigate immediate mass arrests. Two different reports stated that up to 1/3rd of Congress, and as many as 3/4 of the Congress and Senate are in the sealed indictments. Most of those indictments were said to contain charges of child pornography, sexual crimes, murder, and exploitation, led by Hillary Clinton's emails and Clinton Foundation evidence found on Anthony Weiner's laptop. New York City P.D. found the

Weiner laptop had damning content placed there by his wife Huma Abedin, including a video of Huma Abedin and Hillary Clinton performing a satanic sacrifice act, and worse. It was found in a file labeled "life insurance" on Anthony Weiner's laptop computer! It has been viewed on the Dark Web, you don't want to go there, seriously!

On Friday, December 21, Congress was scheduled to go on vacation, the same day as a government shutdown is to occur. Because of pending arrests on up to ¾ of Congress, few were expected to come back on January 3 (nine days of chaos?). Q said that the FISA declassification would "*bring down the House*" and a December 11 Intel Report stated: "U.S. government officials listed in the sealed indictments have been given notice of imminent criminal prosecution and a lifetime at GITMO." On January 2, 2019 Federal courts across the nation will unseal the indictments and begin trials for those charged and arrested as a result of the 66,568 indictments, plus Military Tribunals would commence for those sent to GITMO.

I have been following several threads to this expose and block-buster news story for twenty-two months now, and things were beginning to come together about the time of Senator John McCain's funeral; and then with the death of former President George H.W. Bush. The formal story was to allow these two men to be buried with honors and dignity so as not to bring embarrassment and shame to family members. But in reality, these two were confessed felons found guilty of treason, and were executed by lethal injection. You might find that hard to believe but there are abundant facts and details that were not made public to bring further shame to family members. At least two senators stated McCain and Bush were terminated.

On December 18, 2018, David Zublick, host of the web site "Truth Unsealed" aired a 28-minute report of the events that occurred during the funeral services of George H.W. Bush, in which individuals, former presidents, and their wives were given envelopes in their funeral program. One could see they were visually shaken and had difficulty maintaining composure when the Clinton's, the Bush's, the Obama's and the Pence's received small envelope inserts in their funeral program as they read the contents. Pictures and additional details are provided by the "Millennium Report" further down in this report.

David Zublick said the envelopes contained "indictments", but they were more than likely bearing notes to the effect, "the jig was up, and they were about to go down". A highly reliable source said they contained the phrase: "Arlington is closed!" It was referring to a secret location somewhere on the grounds where these Satanists periodically met beneath a spot in Arlington National Cemetery for Satanic ritual activities.

The below message appeared on a number of sites on the Internet to alert the public that military Marshal Law will be activated shortly after the first of January to prevent organizations such as Antifa, Black Lives Matter, and other radical trouble-making groups from disrupting business as usual during the forthcoming trials and war crimes tribunals. It is quite possible that we are already under Martial Law. This is because, at the beginning of every new year, the President signs a re-authorization of the War Powers Act. This goes back to the days of President Abraham Lincoln. Since 9/11 we have been under the War Powers Act.

QAnon leader General Mark Milley (above) prepares for establishment of Martial Law rule in United States.

On December 2nd, the Wheeling, WV newspaper *'Intelligencer'* reported the activation of the 305th Military Police Company, reporting that 100 reservists were being activated and deployed to GUANTANAMO BAY NAVAL BASE, Cuba. I did some research only to find that as many as six additional Army Reserve and National Guard Military Police companies around the country also had been activated to serve for up to 400 days on active duty. They will augment the several thousand U.S. Navy personnel stationed at Gitmo. As to why this is so important comes as a result of President Obama having released all the ISIS Muslim detainees on his last day in office, January 19, 2016. This begged the question, why the activating of 6 U.S. Army Reserve and National Guard Military Police companies, if the prison facility was empty? It is not going to be empty very long from what I can see!

Two U.S. Navy prison ships are headed for Cuba as well. One was photographed leaving the New York/New Jersey harbor on or about the end of the first or beginning of the second week of December. They are used to provide high security of high-value targets in military tribunals. Around the 15th or 16th of December, weather and airport radar stations recorded carpet-spraying of what is known as metallic "chaff", the kind used by military aircraft to deceive and foil approaching anti-aircraft missiles. The spraying was so dense it was evident that this was being done to obscure military aircraft to prevent any attempt to shoot the aircraft down. Two corridors in the sky shown on weather and airport radar screens indicated the direction of spraying was from north to south, from Maine to Florida, and from Wisconsin

to Florida, passing over Kentucky and Tennessee. This would confirm or correlate with military aircraft traffic flight patterns to Cuba.

It was reported on Thursday, December 20th; Secretary of Defense Secretary Jim Mattis announced his resignation on Thursday, citing differences over policy with Donald Trump, a day after the president abruptly called for the withdrawal of all American forces from Syria. In a two-page letter to the president, Mattis laid out his convictions on the value of U.S. leadership in strategic alliances, including the North Atlantic Treaty Organization and the 74-nation coalition to defeat Islamic State. Secretary Mattis holds globalist views that would be in conflict

with President Donald J. Trump. Secretary Mattis announced a February 28th, 2019 retirement date.

General Mark Milley is second from the left in the picture taken in the Oval Office of President Donald Trump standing behind the desk. The officers in the picture are in order of rank, pictured from left to center, and right to center on either side of the President.

Mark Alexander Milley (born June 20, 1958) is a four-star general in the United States Army and the 39th and current Chief of Staff of the Army. He previously served as the 21st commanding general of United States Army Forces Command from August 15, 2014 to August 9, 2015. As the Army Chief of Staff, Milley is the highest ranking officer in the United States Army.

On December 8, 2018, President Donald Trump announced that he would nominate Milley to serve as the chairman of the Joint Chiefs of Staff.

Army Gen. Mark Milley, the service's top officer who was nominated Saturday by President Trump to be the next Joint Chiefs chairman, is a rarity among senior military officers. He did not attend one of the service academies, but is an Ivy League graduate. And he played on Princeton's hockey team.

If approved by the Senate, the 60-year-old officer from Massachusetts is expected to take the helm next summer from another Massachusetts native, Marine General Joe Dunford. But that could all happen sooner. After announcing General Dunford's retirement, Trump tweeted, *"Date of transition to be determined."*

Milley was at times considered a long shot for Joint Chiefs chairman, who serves as the top military adviser to the president. Others in contention included Admiral John Richardson and Air Force General David Goldfein. Sources say some of Defense Secretary Jim Mattis' aides this week were still betting on Goldfein.

Milley is a chatty, quick-witted, barrel-chested officer who seemed to click with Trump. At times they could be seen laughing together, or sharing a joke. During a Medal of Honor presentation in June, 2018 Trump pointed to Milley, seated in the front row.

"A very good negotiator, Gen. Mark Milley," Trump said. *"I could see in his eyes when I talk about the cost of those bombs. He's good at throwing them, but he's also good at pricing them. Right? I see it."*

The 4-star general has a voracious appetite for history especially military history — and Boston sports teams. On a trip to the Mideast region in 2015, and appearing before soldiers, Milley traded barbs with those who thought New England Patriots quarterback Tom Brady was involved in "Deflategate."

On that same trip, stopping in Baghdad, he pressed senior Iraqi officers to move faster in their fight against ISIS, repeatedly asking for a timetable to take back the city of Mosul. Not long after, Milley insisted — over objections from local officers — on traveling to Egypt's Sinai Peninsula, inspecting a camp of U.S. forces and international peacekeepers that was under occasional attack by ISIS fighters. Milley was key in getting some of those troops moved farther south to a less dangerous camp on the Sinai Peninsula.

The general will engage anyone who will listen about history. A Japanese battle flag hangs inside his house, Quarters 1, at Joint Base Myer-Henderson Hall, in Arlington, Va. It was grabbed by his Marine father who fought in the Pacific during World War II, hopping through the islands of Kwajalein, Saipan, Tinian and Iwo Jima.

Milley can swiftly shift from talking about World War II to the Battle of Bunker Hill to the Korean War to the Afghanistan War. All seemingly without taking a breath. At times, even other Army generals will privately groan about Milley's constant history lessons; it leaves little time for current business.

The general earned tabs as an Army Ranger and a Green Beret, and he has extensive combat experience, taking part in operations in Panama, the Balkans, Iraq and Afghanistan — where he once served as the No. 2 officer.

Milley has been Army chief of staff since 2015, where his job is to make sure the Army is trained and equipped. He had this to say at his Senate confirmation hearing: *"Our fundamental*

task is to win, to win in the unforgiving crucible" of combat. He told the senators that the Army has a variety of tasks, including humanitarian assistance and training local forces in other countries. "But our very reason for being, the very core of what it means to have an Army, it's to win and to win decisively in ground combat against the enemies of our country so that the American citizens can enjoy life, liberty and the pursuit of happiness."

Officials told NPR that among the Joint Chiefs of Staff, Milley is particularly focused on the North Korean threat, making sure Army troops are trained for any possible contingencies. Milley said at a conference last year that a *"full blown war on the Korean Peninsula will be horrific by any stretch of the imagination."*

But Milley said that North Korea possessing a nuclear missile capable of striking the U.S. would be unacceptable. *"It would be horrible, there's no question about it, but so would an intercontinental ballistic missile striking Los Angeles or New York City,"* he said. *"That would be equally horrible."*

General Mark A. Milley assumed duty as the 39th Chief of Staff of the U.S. Army August 14, 2015 after most recently serving as the 21st Commander of U.S. Army Forces Command at Fort Bragg, North Carolina.

A native of Winchester, Massachusetts, General Milley graduated and received his commission from Princeton University in 1980. He has had multiple command and staff positions in eight divisions and Special Forces throughout the last 35 years.

He has served in command and leadership positions from the platoon and operational detachment alpha level through Corps and Army Command including the 82nd Airborne Division and the 5th Special Forces Group at Fort Bragg, North Carolina; the 7th Infantry Division at Fort Ord, California; the 10th Mountain Division at Fort Drum, New York; the 2nd Infantry Division in Korea; the Joint Readiness Center at Fort Polk, Louisiana; the 25th Infantry Division at Schofield Barracks, Hawaii; the 101st Airborne (Air Assault) at Fort Campbell, Kentucky; and the 1st Cavalry Division and 3rd Infantry Division in Baghdad, Iraq.

He commanded the 1st Battalion, 506th Infantry, 2nd Infantry Division; the 2nd Brigade, 10th Mountain Division; served as the Deputy Commanding General for the 101st Airborne (Air Assault); and served as the Commanding General for 10th Mountain Division. While serving as the Commanding General, III Corps and Fort Hood, he deployed as the Commanding General, International Security Assistance Force Joint Command and Deputy Commanding General, U.S. Forces – Afghanistan. Additionally, he served on the operations staff of The Joint Staff as the J33/DDRO, and as a Military Assistant to the Secretary of Defense at the Pentagon.

His operational deployments include the Multi-National Force and Observers, or MFO, Sinai, Egypt; Operation JUST CAUSE, Panama; Operation UPHOLD DEMOCRACY, Haiti; Operation JOINT ENDEAVOR, Bosnia-Herzegovina; Operation IRAQI FREEDOM, Iraq; and three tours during Operation ENDURING FREEDOM, Afghanistan. He also deployed to Somalia and Colombia.

General Milley's education includes a Bachelor's Degree in Political Science from Princeton University, Master's Degrees from Columbia University (International Relations) and from the U.S. Naval War College (National Security and Strategic Studies). He is also a graduate of the MIT Seminar XXI National Security Studies Program.

General Milley and his wife have been married for more than 30 years and have two children.

His awards and decorations include the Defense Distinguished Service Medal; Army Distinguished Service Medal with two bronze oak leaf clusters; Defense Superior Service Medal with two bronze oak leaf clusters; Legion of Merit with two bronze oak leaf clusters; Bronze Star Medal with three bronze oak leaf clusters; Meritorious Service Medal with silver oak leaf cluster; Army Commendation Medal with four bronze oak leaf clusters; Army Achievement Medal with one bronze oak leaf cluster; National Defense Service Medal with one bronze service star; Armed Forces Expeditionary Medal with two bronze service stars; Afghanistan Campaign Medal with two bronze service stars; Iraq Campaign Medal with two bronze service stars; Global War on Terrorism Service Medal; Korea Defense Service Medal; Humanitarian Service Medal; Army Service Ribbon; Overseas Service Ribbon with numeral 5; NATO Medal with bronze service star; and the Multi-national Force and Observers Medal. He is authorized to wear the Combat Infantryman Badge with star; Expert Infantryman Badge; Master Parachutist Badge; Scuba Diver Badge; Ranger Tab; Special Forces Tab; Joint Chiefs of Staff Identification Badge; Joint Meritorious Unit Award; and Meritorious Unit Commendation and the French Military Parachutist Badge.

Of all the medals and badges General Milley has earned, the Combat Infantryman Badge, and the Master Parachutist Badge are probably the most highly recognized by the troops following his leadership. To be eligible for the Master Parachutist Badge, an individual must have been rated excellent in character and efficiency and have met the following rigorous requirements:

1. Participated in a minimum of 65 jumps including twenty-five jumps with combat equipment to consist of normal TOE equipment, including individual weapon carried by the individual in combat whether the jump was in actual or simulated combat. In cases of simulated combat the equipment will include water rations (actual or dummy), ammunition (actual or dummy), and other essential items necessary to sustain an individual in combat. Four night jumps must also be made during the hours of darkness, one as jumpmaster of a stick. Five mass tactical jumps must be made which culminate in an airborne assault problem with a unit equivalent to a battalion or larger; a separate company/battery; or an organic staff of regimental size or larger. The individual must fill a position commensurate with their rank or grade during the problem.
2. Either graduated from the Jumpmaster Course of the Airborne Department of the Infantry School or the Jumpmaster School of a separate airborne battalion or larger airborne unit, or infantry divisions and separate infantry brigades containing organic airborne elements, including the U.S. Army Alaska Jumpmaster Course, or served as jumpmaster on one or more combat jumps or as jumpmaster on 33 noncombat jumps.
3. Have served on jump status with an airborne unit or other organization authorized parachutists for a total of 36 months (may be non-consecutive).

The 25 combat-equipment jumps necessary to qualify for the Master Parachutist Badge must be from a static line. For those unfamiliar with a static line, every soldier jumping out of an airplane attaches his parachute release cord to the static line, and as the soldier exits the jump door, his chute is opened at a certain distance exiting the aircraft.

I provide General Milley's background because in the coming days, General Milley will soon be overseeing a transition of government within the coming months of 2019. General Milley is a no-nonsense commander and leader. He is highly respected by his peers and those having served under General Milley. You need to take everything in this article with the utmost serious attention. The decision to remove 8,000 military personnel from Syria and 9,000 from Afghanistan is most likely related to the events commencing in the next few weeks. Skeptics will scoff but let me corroborate and buttress this with today's "Millennium Report" that follows below:

Something quite HUGE is about to go down: Martial Law, Military Tribunals or Both?

“THE ENVELOPE AFFAIR”:

**Bush Funeral Service Foreshadows
a Major Series of Radical Events
in Washington, D.C.**

Note the 2 Secret Service agents, with hands together and lowered, standing directly behind George W. Bush

Something extremely significant occurred at the Bush funeral—special envelopes point to swift and sure justice on the way.

“By any standard what just went down during the Bush funeral is so HUGE it’s incomprehensible. First, the National Cathedral was in total lockdown with so many VIPs in

attendance of the biggest funeral since Ronald Reagan's. That means that no one got in or out unless given the green light by the Secret Service. How, then, was the entire venue cased out so well in advance that videographers were in the perfect position to capture the extraordinary events that took place. This alone tells you that a massive set-up was, and still is, in the works. Not sure it gets any more serious than this. What is soon to follow "the envelope affair" will surely be the most incendiary series of events of the Third Millennium."

— Intelligence Analyst and Former U.S. Military Officer

At last count, at least 5 VIP families received the **"special note"** at the D.C. memorial service for George H.W. Bush. That would be the Bush family (George W., Laura and Jeb), the Clintons (Hillary and Bill), the Obamas (Michelle and Barack), the Bidens (Joe and Jill) and the Pences (Mike and Karen).

Question # 1: Why did the sender make sure the wives also received the ominous message? Whoever is responsible for this psyop, it's clear that every part of this drama was fastidiously choreographed for maximum effect.

Question #2: Why, specifically, did those 5 power families receive the secret message? Bush, Clinton, Obama, Biden and Pence?

Such a plot to capture the attention of both husband and wife was quite well planned out. Handing the note to the Bush family at the exact time that the casket was passing them also occurred with highly calculated significance.

There were many other *Deep State* dignitaries and VIP globalists at the same venue during that funeral service. There's no indication, however, that anyone else present got the "special note". Although this may not be correct. It was obvious that President Jimmy Carter and Rosalind did not receive an envelope in their funeral service program, as former President Carter searched to no avail his funeral program for a similar envelop.

The Extraordinary Context

It's critical to understand the key aspects of the context in which this explosive drama played out. Five U.S. presidents and vice presidents received a special envelope during the most MSM-hyped and misrepresentative memorial service in our lifetime. How does that happen except with extremely purposeful design?!

KEY POINT: President George H.W. Bush was neither "gentle" nor "kind" to his nation as the MSM eulogized him. Not only was he the **pivotal rogue CIA operative in Dallas** during the assassination of President John F. Kennedy, he was also the **prime mover behind the Oklahoma City Bombing** because of the Savings and Loan scandal fallout. The **Bush Crime Syndicate was also the key architect and 'American' co-conspirator** that executed the state-sponsored, false flag terrorist attacks on September 11, 2001, as well as the well-orchestrated CIA-coordinated cover-up. You can read the '*George Bush: The Unauthorized Biography*' by historian and scholar Webster Tarply for free online.

In spite of the ongoing “funeral service of the century”, a videographer(s) was present at all the perfect locations to capture the videos of the very moment when the notes were being handled and opened.

The video footage was especially shot in such a manner so as to catch the reactions of each VIP and their spouses, whether they saw the contents or not.

Next, the various videos were then disseminated to various YouTube channels to make sure they were expeditiously uploaded and easily viewed on the Internet.

First of all, there’s no other event in U.S. history that even remotely comes close to this stunning series of envelope incidents RIGHT SMACK IN THE MIDDLE OF AN EX-PRESIDENT’S FUNERAL.

Therefore, it can be stated with absolute certainty that something very BIG happened, and that something even BIGGER is in the offing.

The Bidens receive their envelope at the funeral and are being forewarned by Hillary Clinton who has already seen it.

Just how big?

Everything points to the high likelihood that President Trump put these political dynasties and crime families on notice during the Bush state funeral.

Whatever they saw, or when they heard about the contents of the envelope, each individual was floored in ways that were both obvious and veiled.

The Bush family reacted in horror, especially Jeb Bush. Laura was quite disgusted as well, although George W. appeared to know it was coming.

Hillary Clinton was her usual defiant self; so was Michelle Obama. Barack couldn't hide his fear (although he tried very hard to) as would be expected from the former Coward-in-Chief.

As for the Biden's, they were both visibly startled by the whole affair, reflecting a sincere disbelief that such a thing could even happen during a presidential state funeral, no less! As for the Pence's, the camera never really caught them at the point of revelation so not much can be said about their reaction.

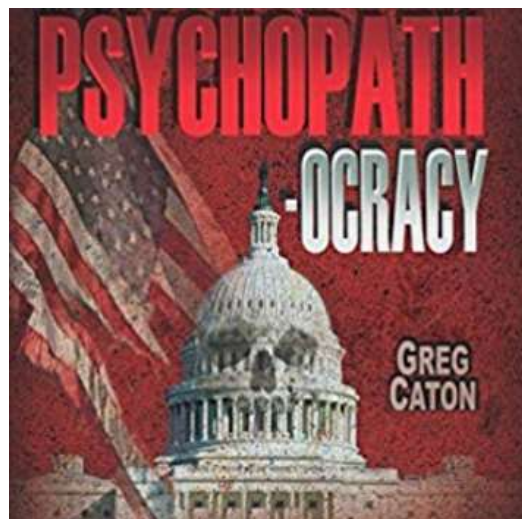

What's of paramount importance here is that all of these political power-brokers represent the *New World Order* globalist cabal. None of them ever saw a war they didn't like. Most significantly is that this happened to them in a highly symbolic venue in the nation's capital. *Deep State* is supposed to have complete control over such power places as the National Cathedral in Washington, D.C.

In light of these unique circumstances, it's fair to say that Trump threw down the gauntlet. And, that he did so in a manner that the whole world could see it. This key point will profoundly inform the rest of the analysis.

The reaction will be fierce!

It's only common sense that when powerful members of the psychopathocracy have been threatened, the reaction will be decisive and dangerous, destructive and deadly.

[An Abridged History Of The United States Psychopathocracy](#)

That's exactly where we are today in America. The psychopaths who have led this nation over decades have all been found out. The Patriot Movement has completely exposed them for being the traitors that they truly are.

In fact, so many acts of high treason have been uncovered and detailed for all to see that the ruling cabal has these notorious crime families commit even more crimes to cover up their previous crime sprees. That's just how deep this multi-decade criminal conspiracy going back to the assassination of President John F. Kennedy really is.

As a result, these psychopaths are exceedingly desperate. Hence, they are guaranteed to react like cornered rats. In the process of trying to escape from the jaws of death after their military tribunals, there is simply nothing that they will not do.

In point of fact, there is a window of time that is quickly closing for both sides of this fight to the death. However, neither side wants to act first for fear of being perceived as the aggressor. As a result, the thoroughly corrupt Mueller investigation proceeds forthwith as though indicting the President of the United States will secure their victory.

The NWO criminal cabal has ignored the great probability that posing such a reckless threat will only embolden Trump to run again sure of a victory. He will never allow himself to be put in the position of being falsely prosecuted by a hardened gang of *Deep State* villains.

Because of their perilous deficit of understanding, the globalists are still working hard to set up Trump at every turn. By incorrectly assessing their true predicament, the agents of *Deep State* execute their schemes as though no one is watching and they still expect outcomes that might have occurred pre Internet.

Engineered California Firestorms and DEW Attacks

"The Envelope Affair" did take place immediately following the worst attack on U.S. soil since the state-sponsored, false flag terrorist attacks staged on 9/11/01. That would be the DEW attacks [DEW stands for "Directed Energy Weapons] and pyro-terrorism perpetrated against the people of California throughout the month of November.

These re-engineered firestorms and Directed Energy Weapon attacks on the state of California not only devastated large swaths of territory, thousands were ruthlessly killed many of whose deaths have not even been acknowledged.

The distinguishing aspect of these cowardly attacks on innocent civilians is that they were carried out, by and large, in red counties and conservative strongholds. Heavily forested parts of northern California have been subjected to these manufactured wildfire seasons for years now. Only the past 2 years have seen 4 separate wildfire seasons that have been truly apocalyptic.

Whereas the authorities say only 88 people died, direct evidence has shown that hundreds have died. The final death toll for November 2018 is certainly going to be in the thousands.

Exactly how many good people were murdered we don't know, but you can be sure that President Trump knows. He also saw the utter devastation himself upon his tour with Governor Jerry Brown—a highly compromised co-conspirator, Jesuit Coadjutor.

It appears that Trump cannot speak to this catastrophe the same way that he could not speak to the Mandalay Bay massacre staged in Las Vegas by the globalists. Therefore, it may be that the coming storm will be a direct result of this California mass murder and malicious destruction of property statewide.

Secret Notes at Bush Funeral Point to a Huge Happening

How and when exactly the secret notes were disseminated at the Bush funeral has been captured by video. Each video tells a story that is quite incredible. The reactions of each VIP after seeing the contents reflect something that is both shocking and compelling for each recipient.

What follows is a list series of videos that tell the story much better than we can. It's well worth watching each of them in order to grasp both the enormity and profundity of this unparalleled event. The first article below provides an excellent overview of this. Go to the web site "Truth Unsealed".

[What in the world really happened at the Bush funeral?](#)

[Why did Jeb Bush get so scared after he saw the note from the Secret Service agent? \(Video\)](#)

[Even Mike and Karen Pence received a special note at the D.C. Bush funeral](#)

[Just How Many VIPs Got the Strange Envelope in the Bush Funeral Brochure \(Video\)](#)

[George W. Bush Definitely Knew About the Message of the Secret Note at Father's Funeral \(Video\)](#)

Oh, and by the way, the Obamas received a special envelope at the Bush funeral, too. (Video)
What really happened?

Quite frankly, we don't know what happened at the funeral. The content of those notes is anyone's guess. What we do know is that each person who looked at the contents immediately knew what they saw was real and very disturbing.

With this critical understanding, it's quite likely that all of the recipients received the very same note. And, that it was designed to have maximum impact, which it certainly did.

Therefore, what can be said with utmost confidence is that the gauntlet has been thrown down by one side against the other. And, that what happened in that cathedral is perhaps the beginning of the end of life inside the Beltway as we — and THEY — know it.

In other words, these shared notes will prove to be the most highly consequential happening in American government as they have already triggered a chain reaction of cathartic events that cannot be stopped.

'The writing is on the wall.'

There is no more apt expression to describe where the nation is at this critical moment in our history than: ***'The writing is on the wall'***. This is a Biblical reference.

In the case of this "THE ENVELOPE AFFAIR", the writing was on each note. This biblical saying is pregnant with meaning, especially where it concerns the current and very delicate state of affairs in Washington, D.C. As follows:

Rembrandt's 1635 painting *Het feestmaal van Belsazar (Belshazzar's Feast)*, collection of the National Gallery, London, UK

From the **Biblical** story in **Daniel** 5, where, during a feast held by King **Belshazzar**, a hand suddenly appears and writes on a wall the following **Aramaic** words: **פְּרִסְיוֹן תְּקֵל מְנָא מְנָא** (mənē mənē təqēl ūpārsīn, "**numbered**, numbered, **weighed**, and they are **divided**") (Daniel 5:25). **Daniel** interprets the words as pointing to the downfall of the **Babylonian Empire**.

Since the United States of America is sometimes thought to be the modern-day "*Mystery of Babylon*" in the Book of Revelation within various religious circles, this particular metaphor may have great meaning beyond anyone's imagination.

METAPHOR MESSAGE: The whole political order is about to change as the old way of doing business is no longer acceptable in Washington, D.C. It's entirely true that the current order marked by pervasive lawlessness, serial criminality and institutionalized corruption is the very same as that established by *Black Babylonian Brotherhood* of ancient lore.

Martial Law, Military Tribunals or Both?

Because of the rapidly unfolding events in the nation's capital, things are about to get very hairy indeed (as well as precarious) for the American people.

The "new normal" of today cannot go on much longer, particularly because it quickly morphs into an even newer normal by the month, which is all the more outrageous and unacceptable. *"The whole place is coming apart at the seams"* depicts the sense that everyone now has these days, and yet the tension just keeps intensifying.

Given this stark reality, the Republic will soon experience a house cleaning like none before. Whether this "changing of the guard" is carried out by military tribunals or Martial Law remains, or both remains to be seen. However, there is great certainty about the absolute necessity of forming military tribunals that cannot be dismissed or ignored.

Military tribunals are especially required to prosecute the Deep State criminals, rogue Intel & SS agents and Shadow Government perps who are conducting a soft coup against the POTUS. But why military tribunals?

Because those traitors practically own and operate the U.S. Criminal Justice System, that's why!

(Source: [MILITARY TRIBUNALS: Why They Are Absolutely Necessary](#))

Given the true depth and breadth of the swamp “inside the Beltway”, it’s clear to the Patriot Movement that the only solution is a military one since the swamp creatures simply will not leave without a fight. That’s even after the swamp is drained, the perps will put up a fierce fight to save themselves and their satanic way of life.

As for martial law, it’s now evident that the Democrat Party can never again be permitted to hold the reins of power in the USA. Their collective acts of treason and individual acts of sedition are unprecedented in U.S. history. In point of fact, there are so many stone-cold traitors among them that the only way forward may be a declaration of martial law followed by military tribunals to successfully weed them out.

Conclusion

There is no denying that the American people are witnessing an epic fight to the finish. There are two sides that have stacked up against each other to wage what is essentially the *War of the Titans*—the 3rd Millennium version, that is.

Whichever side loses will be consigned to the dust-bin of history; perhaps never again to wield power.

Will the nationalists led by President Donald J. Trump prevail at this crucial moment; or will the all-powerful globalists triumph?

Trump knows that if he loses, the Democrat “*Deep State*” will make his life extremely miserable—forever. For that **and other more serious reasons**, he must run and win in 2020 or else Mueller’s mafia will prosecute him right into prison. However, it’s really Trump’s family (his true *Achilles’ heel*) that’s the most vulnerable to malicious prosecution as the following post points out. If Trump bails out of 2020, this will be the reason why ... as it’s the central purpose of the Mueller witch hunt.

Does the highly unusual sentencing process of Gen. Mike Flynn reflect an ominous Deep State plot?

Bottom Line: No matter how you look at this abruptly evolving D.C. drama, ***things are about to get real ugly, real soon in D.C.*** Regarding that eventuality, there can be no doubt. Hence, patriots everywhere are best advised to stay vigilant...and locked and loaded. The Bolsheviks on the Left are notorious for staging “shock and awe” events that can take their enemies completely by surprise. That’s precisely how Russia was plunged into the Bolshevik Revolution so unexpectedly which was then followed by over 70 years of the totalitarian and brutal rule by the Soviet Union.

One last essential point is that, if the globalists don’t get their way with team Trump, they will certainly go ballistic as they always do when they are thwarted. See: **NWO Globalist Cabal Closer to Exercising Nuclear Option State of the Nation**
